

Dear Local Business Owner:

Exciting things are happening with the Saugus High School Boys Basketball program and we would like you to be part of it.

Our team continues to rise. Over the last three years we have worked hard to prepare and train our athletes into outstanding young men and excellent basketball players. After several years of not contending, our team went deep into the playoffs last year. Perhaps most exciting is that we have a new coach and a new principal and are looking to build long term success with our program. In order to bring success to a program, it's important to be able to have all the great tools in place- including equipment, training, and playing against top competition. That all takes funding and we are prepared to raise the funds to bring a great team to Saugus.

We are looking to you to help us make our financial goals. Any type of donation would be greatly appreciated. Not just cash or check, but donations to support fundraising events such as our summer basketball tournament, our second annual poker tournament coming up in the fall, or to our silent auction. We are serious about bringing a great program to Saugus and we would like for you to be part of that success.
